### INTRODUCTION

This list includes the principal files in the Johnson Library that contain material relating to political affairs. ### **OFFICE FILES OF JOHN MACY**

John Macy was the Chairman of the civil Service Commission. As a "talent scout" he maintained a file on all persons considered for appointments. These folders are reviewed on written request. A card file is maintained in the Reading Room for those name files currently available. Researchers should anticipate a delay in receiving this material.

### **SENATE POLITICAL FILES, 1949-1960**

These files include material on: 1) Johnson's political contacts in Texas during the five years following his 1948 election to the U.S. Senate; 2) his 1954 race for reelection to the Senate; 3) his 1956 "favorite son" candidacy for the presidential nomination; and 4) his bids in 1960 for the presidential and vice-presidential nominations and his campaign for the Kennedy-Johnson ticket.

### **LYNDON BAINES JOHNSON ARCHIVES 1931-1968**

In 1958, the Johnson staff instituted a records management program in the office, which included a plan to dispose of noncurrent files. They set up the Lyndon Baines Johnson Archives (LBJA) to house items to be permanently retained rather than scheduled for disposal. Johnson files from the House and Senate period were screened, and selected items and files were moved to the LBJA file. Between 1958 and 1963, the staff continued to add to the file. Occasionally items were added during the White House period. The LBJA consists of four files: Congressional, Famous Names, Selected Names and Subject.

## **RECORDINGS AND TRANSCRIPTS OF TELEPHONE CONVERSATIONS**

The Johnson Library staff has processed the recordings and transcripts of President Johnson's telephone conversations. The collection includes over 6,000 recordings of conversations with members of Congress, other public officials, civil rights leaders, members of the press, friends and family. LBJ Library staff have noticed significant errors and omissions in the transcripts and suggest that transcripts and recordings be used together. See the Library's web site for descriptions of the conversations: <http://www.lbjlib.utexas.edu/johnson/search/TelephoneConversations/conversations.html>.

## **ORAL HISTORIES**

Transcripts of most oral history interviews may be downloaded as PDFs from our web site or the Scripps Digital Library site at the Miller Center of Public Affairs (Univ. of Virginia). Transcripts not found on the Internet but available for research may viewed in the Reading Room or borrowed by writing to the Interlibrary Loan Archivist, Lyndon B. Johnson Library, 2313 Red River Street, Austin, Texas, 78705. A complete list of oral histories is available in the Reading Room and on our web site.
