MATERIAL AT THE LBJ LIBRARY PERTAINING TO **THE WHITE HOUSE FELLOWS PROGRAM**

INTRODUCTION

This list includes the principal files in the Johnson Library that contain material relating to the White House Fellows Program. It is not definitive, however, and researchers should consult with the Library's archivists about other potentially useful files. The guide includes those collections that have been opened for research in part or in whole, and those collections that are currently unprocessed or unavailable.

WHITE HOUSE CENTRAL FILES (WHCF), SUBJECT FILE

This permanent White House office was the main filing unit during the Johnson presidency, though not the primary file for foreign policy documents. Material was filed under 60 major subject headings.

CONFIDENTIAL FILE

Arranged in the same subject categories as the WHCF Subject File, this file contains security classified or otherwise sensitive material. The CF Name File serves as a name index to the CF Subject File. This collection also includes agency reports and oversize attachments. The CF is entirely processed, but portions are still classified.

WHITE HOUSE CENTRAL FILES NAME FILE

This file serves as a name index to the Subject File. Names Files, in general, contain copies of the first page of documents (used as cross references) files in the Subject Files. Request files by name of individual or organization. There is a card file in the Reading Room card catalogue indicating those Name Files that are already available for research.

APPOINTMENT FILES

The Diary Cards in the Reading Room provide an alphabetically arranged name index to the President's appointments. However, White House Aides contacts with the President are usually carded only for social events. Once the date of an appointment has been determined, check the "Diaries and Logs" finding aid for the number of the appropriate boxes in both the Daily Diary and the President's Appointment File [Diary Backup].

The Daily Diary is a log sheet of appointments and phone calls maintained by the White House secretaries.

The Diary Backup contains preparation material, press releases, and schedules for meetings and appointments, as well as some reports and notes from the meetings.

OFFICE FILES OF THE WHITE HOUSE AIDES

Many White House aides maintained office files of their own, separate physically from the rest of the White House Central Files. The files of each aide reflect his or her responsibilities. This list is not definitive, but it does include most pertinent folders in the aides files. If a folder is not open for research, it will be processed upon request. Researchers should anticipate a delay in receiving this material.

RECORDINGS AND TRANSCRIPTS OF TELEPHONE CONVERSATIONS

The Johnson Library staff has processed the recordings and transcripts of President Johnson's telephone conversations. The collection includes over 6,000 recordings of conversations with members of Congress, other public officials, civil rights leaders, members of the press, friends, and family. We have found only two recorded conversations that mention the White House Fellows:

Citation No.	Date	Speaker	Tape and Program No.
6319	11/11/64	David Rockefeller	WH6411.15, PNO 1
11227	12/30/66	Willard Wirtz	WH6612.13, PNO 5

You may consult the telephone conversation portion of the Library's website at <http://www.lbjlib.utexas.edu/johnson/archives.hom/Dictabelt.hom/content.asp> to search for recordings related to other people, dates, or topics.
